- React.js (7 years), Next.js (4 years)
- Vue.js (5 years), Nuxt.js (4 years)
- Node.js(8 years), Nest.js (3 years)
- Ruby on Rails (4 years)
- Python(11 years), Django(4 years)
- C/C++/C#(10 years), .Net(7 years)

Blockchain Skills

- Smart Contract (5 years)
- Solidity (5 years)
- Web3 (3 years)

Database Skills

- MySQL, PostgreSQL, MongoDB

Version Control System

- Git (8 years)

OLEH BAZHAN

SENIOR SOFTWARE ENGINEER

PROFILE

Creative and Expert software engineer with 10 years of experience. I am dedicated to building and optimizing user-focused applications for customers with variety of business goals. As my personal characteristics, I thrive on challenge, I work well under pressure. I'm a quick learner and collaborate closely with clients to create efficient, scalable, and user-friendly solutions that solve real-world problems. I take a pro-active approach to analyze and formulate a solution.

WORK EXPERIENCE

Blockchain & Full Stack Engineer

2022 - PRESENT

Scalo

- Proven track record of exception project delivery and execution.
- Design, develop, test and deploy smart contract.
- Build iOS/Web/Backend components and write scalable code.
- Optimize project performance through better quality code.
- Help other part developers(frontend or backend) to reach a goal in deadline.
- Ensure code quality, suggest areas for development, and ensure best practices are followed.
- Mentoring 3+ developers into full-stack pros.

Frontend Engineer

2018 - 2020

Koast

- Mainly coordinating with internal clients to supply them with vertical IT solutions.
- Responsible for developing mobile, web applications.
- Demonstrate ability in developing complex, high-traffic applications.
- Build user-friendly pixel perfect and responsive UI.
- Optimize application performance by implementing lazy loading and reducing memory usage.
- Continuing maintenance and development of features.

REFERENCE

I enjoy my work.

When building new applications, I make them modern, clean, and bold to be more competitive and increase revenue.

Every time I have the opportunity to work in a new field, I see it as an opportunity to learn something new and become a better version of myself!

My goal is to continue to grow and improve myself, so I will do my best for it.

Let's work together to bring your ideas to life!
